## DECLARATION:

I do declare that all the information enclosed is true and I thank you in advance for consideringmy application. I will be able to prove myself as an asset to your organization.

## PROJECT:

**Social Media (Web Application)**
- Our React.js social media app provides dynamic user experiences with seamless navigation and real-time updates.
- Its modern, responsive design enhances engagement on a vibrant platform for social interaction.

**Online Voting System**
- My college election concept led to a solution developed with HTML, CSS, JavaScript, and PHP.
